FULL
STORY
- P7

A TOP footballer has been arrested after body parts including heads, arms and legs were found in a fridge hidden in a secret room at his luxury mansion.
Cops say they suspect the player may be a SERIAL KILLER.

Geronimo is put to death despite pleas

GERONIMO the alpaca has been killed by government vets supported by a police escort.

Avon and Somerset Police officers attended the site in Wickwar, South Gloucestershire, shortly before 11am on Tuesday alongside three people dressed in blue overalls, who took the animal away to its death.

Geronimo (above) had twice tested positive for bovine tuberculosis and a destruction warrant had been ordered for the animal.

Owner Helen Macdonald, who believed the test results were false positives, said: "I'm absolutely disgusted at this government. These are barbaric actions. It's a disgrace."

Ms Macdonald had wanted the Department for Environment, Food and Rural Affairs to allow Geronimo to be tested for a third time or let him live to aid research into the disease, but they refused.

Activists target giant milk plant

FIFTY climate activists created a blockade at the UK's largest milk factory, locking themselves on to bamboo structures and concrete barricades.

The activists, from Animal Rebellion, are calling on dairy company Arla to transition to plant-based production by 2025 and say they will not leave the firm's site in Aylesbury, Bucks, until it agrees to do so.

Animal Rebellion claims Arla emitted more greenhouse gases in 2017 than mining company BHP and oil producer *ConocoPhillips*.

SPACE STATION 'FALLING APART'

RUSSIAN cosmonauts have found new cracks in a section of the International Space Station that they fear could worsen over time.

The superficial 'fissures' were found in the Zarya module, the first part of the ISS to be launched in 1998 by Russia.

"Superficial fissures have been found in some places on the Zarya module," Vladimir Solovyov, chief engineer of rocket and space corporation Energia, said.

"This is bad and suggests that the fissures will begin to spread over time."

He did not say if the cracks had caused any air to leak.

Last year, ISS crew members hunted for an air leak for several

weeks, tracing it to the main work area inside another Russian module called Zvezda.

NASA stressed that the leak posed no immediate danger to the crew and only caused a slight deviation to the ongoing work schedule.

Mr Solovyov has said previously that much of the International Space Station's equipment is starting to age and has warned there could be an "avalanche" of broken equipment after 2025.

August 2018 saw astronauts rush to fix a hole which had appeared in the outer wall of the Soyuz capsule on the orbiting laboratory.

This is the year that Russia plans to leave the ISS project, possibly to launch its own orbital station.

RAF SET TO BLAST ISIS-K

Jets on standby to attack evil Kabul thugs

THE UK is "ready" to launch strikes at ISIS in Afghanistan after the Pentagon revealed there are at least 2,000 'hardcore' ISIS-K fighters in the country.

US forces completed their withdrawal late on Monday evening, bringing to an end a western military presence which lasted since the wake of the 9/11 attacks in 2001.

While the UK finished its withdrawal from Afghanistan 24 hours earlier, the head of the Royal Air Force said the UK could be involved in

By COLIN HURST

strikes against Islamic State Khorasan – or ISIS-K.

RAF Air Chief Marshal Sir Mike Wigston told the *Daily Telegraph*: "Ultimately what this boils down to is that we've got to be able to play a role in the Global Coalition to Defeat ISIS, whether it's a strike, or whether it's moving troops or equipment into a particular country, at scale and at speed."

"If there's an opportunity for us to contribute, I am in no doubt that we will be ready to. That will be anywhere where

violent extremism raises its head and is a direct or indirect threat to the UK and our allies.

"Afghanistan is probably one of the most inaccessible parts of the world and we're able to operate there."

ISIS-K was responsible for the suicide bombing attacks which killed nearly 200 people, including two British citizens, at Kabul airport last week.

Lethal

After announcing the US military withdrawal was complete, head of United States Central Command General Kenneth McKenzie said: "ISIS remains a very lethal force and I think we

would assess that, probably, there are at least 2,000 hardcore ISIS fighters in Afghanistan now."

"And of course many of those come from the prisons that were opened a few days ago. So that number is up and is probably as high as it's ever been in quite a while."

Foreign Secretary Dominic Raab was a signatory to a statement from the Global Coalition to Defeat ISIS about Afghanistan.

It said: "We will draw on all elements of national power – military, intelligence, diplomatic, economic, law enforcement – to ensure the defeat of this brutal terrorist organisation."

Greta lays into Sturgeon over climate change

TEEN campaigner Greta Thunberg has enraged Nicola Sturgeon by saying she doesn't regard Scotland as a world leader on climate change.

The Swedish activist said she recognised that some countries "do a bit more than others" but that none was coming close to what was needed.

On the Scottish Greens' deal to enter government, she said some politicians were "less worse" than others.

But she said tackling climate change was not as easy as voting for a green party.

The 18-year-old (above) said: "Of course there might be some politicians that are slightly less worse than others."

"It's a hopeful sign that people want something that's more 'green', whatever green means, but in order to solve this we need to tackle this at a more systemic approach."

Ms Sturgeon's Scottish Government has previously described its climate change legislation as "world leading".

It includes a target to reach net-zero emissions by 2045.

Boy, 16, held over 'murder'

A 16-YEAR-OLD boy has been arrested on suspicion of murder after a 61-year-old man died following a suspected assault.

Mehmood Shamshi was taken to hospital after being found seriously injured in Staines Road, Hounslow, west London, in the early hours of August 18, according to the Metropolitan Police.

Officers believe he was assaulted in Staines Road, near the junction of Cromwell Road, at around 10.30pm the previous day.

He died in hospital on August 21. A post-mortem examination gave cause of death as a head injury.

RAAB: WE'LL TAME THE TALIBAN

(GOOD LUCK WITH THAT, SON)

IT will be rather cloudy with light showers in central and eastern parts at first, these dying out with cloud breaking to give some sunny intervals, best in the west and northwest.

Temperatures of 20C in London, 19C in Cardiff, 19C in Manchester, 20C in Belfast and 19C in Edinburgh. Thursday will be cloudy and cool, but with some sunny spells in the west.

Temperatures of 20C in London, 20C in Cardiff, 18C in Manchester, 17C in Belfast and 16C in Edinburgh. OUTLOOK: Dry, cool.

THE UK needs to face the "new reality" in Afghanistan and work with other nations to exercise a "moderating influence" on the Taliban, the Foreign Secretary has said.

Dominic Raab said the UK would hold the Taliban to its pledge of safe passage for those who want to leave.

He said the UK had evacuated more than 17,000 people from Afghanistan, including over 5,000 UK nationals, while the number of UK nationals left behind was in the "low hundreds".

TELLY babe Ashley Roberts is furious after being attacked by vile sexists who lurk in the comments section of the notorious *Daily Mail* website.

After posting a sexy bikini pic on her Instagram page, the Pussycat Dolls singer was devastated to discover that her images caused a serious stirring of the loins in *Mail* readers.

The perverts told the pretty 39-year-old exactly what they wanted to do to her in a sexual way.

Lovealick, from Dover, said: "Would get it plums deep," implying he'd like to put his penis inside her vagina until his testicles slap against her.

JonnyHolmes69 said: "Worth a squirt," meaning he would like to ejaculate either by masturbating over her images or by having the sex with her.

And Truthseeker0412 slavered: "I wouldn't mind throwing the sausage up the hallway."

The sausage in the metaphor being a penis and the hallway a vagina.

A source close to Ashley said: "She is angry and devastated to think that so many people are publicly talking about filling her minge with cock."

Man is killed by Hurricane Ida alligator

A 71-YEAR-OLD man was reportedly killed in an alligator attack after the animal bit off his arm as he waded through flood waters caused by Hurricane Ida.

The attack took place in the town of Slidell in St. Tammany Parish, Louisiana.

The man's wife called cops and told them an alligator attacked her husband while he was in his shed, which had been flooded with several feet of water.

The woman pulled her husband onto the stairs and then left to get help.

The man's body was never recovered.

The president of Jefferson Parish warned that alligators could be lurking in flood waters while search and rescue teams go door-to-door in search of survivors.

Cynthia Lee Sheng said: "Unfortunately, the worst-case scenario seems to have happened in this case."

FASHION, eh?

Trends come and go with the seasons, allowing our womenfolk and homosexuals to spend countless millions on the latest styles.

Of course, it's all a massive con to get the gullible to buy more clothes.

Churlish

But there is one fashion that is never out of vogue and that's see-thru tops.

The sheer look has been given a huge boost in recent years as social media influencers have found a way to show off their boobs online without 'breaking' Instagram's churlish 'no topless' rule.

But even without Instagram, sheer tops are sheer quality.

Backlash at Kirstie's Pen Farthing rant

KIRSTIE Allsopp sparked fury among Twitter users over her Pen Farthing criticism as he rescued animals from Kabul.

The 50-year-old home improvement star (above) tweeted: "But Mum, it's women and gay people they shoot not cats & dogs."

She then clarified: "The tweet reflected a child's amazement that humans at risk weren't put first."

She later added: "I tweeted a point of view. Last time I looked, that was allowed."

"Valuable resources have been used up. People we owed much to will lose their lives."

One fumed: "Do you think they have any compassion for these animals either? For the millionth time Kirsty, they did not take up any space that humans would have on board."

"But mum why did the Government not start to get them out sooner given they have known for 2 years like the French? Mum why are you blaming dogs for this not the Government?" a second agreed.

MORE than four in 10 overweight people in the UK are depressed because of their size, signalling a "growing mental health crisis", a poll has suggested.

In a survey of 2,000 people with a BMI over 25 by NHS partner Oviva, 45% said they have felt depressed because of their weight and 25% said they stay at home as much as possible as a consequence of their size.

Some 20% of those quizzed said they are worried about socialising, because their weight puts them at increased risk of becoming seriously ill from coronavirus.

And 46% said they have avoided making a doctor's appointment they had needed over the past 12 months because they were worried about the NHS being under pressure amid the pandemic.

EVIL: Halliwell killed Becky and Sian and is thought to have also killed Claudia Lawrence (centre)

DID HE SLAUGHTER 29?

By ROY DURRIDGE snews@sundaysport.co.uk

KILLER cabbie Christopher Halliwell could be responsible for a staggering 27 more murders, a new book claims.

The evil taxi driver, 53, is serving life for the murders of Becky Godden-Edwards, 20, and 22-year-old Sian O'Callaghan, who he abducted while they were leaving nightclubs in Swindon, Wilts, in 2011.

Clothing

The police investigation into the murders was made into a 2019 ITV drama called *A Confession*, which starred Martin Freeman as lead investigator Det Supt Steve Fulcher.

Now the authors of a new book suggest Halliwell targeted dozens of women over a period of 20 years, dumping their bodies after taking their clothes as trophies.

If true, it could make him one of Britain's WORST ever serial killers.

Halliwell has also long been linked to other murders, including that of chef Claudia Lawrence, from York.

Police are currently searching lakes and woodland in their hunt for the 35-year-old, who vanished 12 years ago.

The claim Halliwell had 27 more victims is made in *The New Millennium Serial Killer*, a book by former police intelligence officer Chris Clark and crime writer Bethan Trueman.

In 2011, some 15 miles from where Ms O'Callaghan's body was found, a secret store of 60 items of women's clothing kept by the killer was unearthed by police.

Of the items, only two have ever been identified – a cardigan worn by Ms Godden and one of Ms O'Callaghan's boots.

But DS Fulcher, who has always insisted Halliwell had more victims, believes the stash could be a sick

New book links serial killer Halliwell to dozens more unsolved murders

memento of his undiscovered crimes.

He wrote in the book's foreword: "There is overwhelming evidence pointing to the notion

Halliwell is responsible for many further victims beyond the two murders for which he's been convicted."

Mr Clark and Ms

Trueman believe that Halliwell could be behind three killings by the East Lancashire Ripper, who brutally murdered and sexually

mutilated three women but was never caught.

They also examine the disappearance of three women in Wiltshire, Halliwell's

home county, as well as the murder of his neighbour Sally Ann John.

The fiend was said to have been "obsessed" with the 23-year-old, who vanished in September 1995.

Police began probing Halliwell when Ms O'Callaghan was seen getting into a taxi the father-of-three owned and arrested him on suspicion of kidnap five days later, fearing he was about to commit suicide.

He was jailed for life in 2012 for beating and stabbing to death Ms O'Callaghan, who he believed resembled his mother, before pushing her body into a ravine.

Due to unearthing the stash and other circumstantial and forensic evidence, Halliwell was also convicted of killing Ms Godden and given a whole-life jail tariff.

The New Millennium Serial Killer by Chris Clark and Bethan Trueman, is published by Crime Publishing Network.

PREM STAR IS A SERIAL KILLER

Heads and limbs found in his fridge

SEVERED human heads, including one belonging to a teenage boy, have been found in a fridge at the home of a top footballer.

Richard Gyamfi, 28, an ex-player who turned to sport commenting, has been arrested after the boy's father forced his way into his home and found the horrific sight in a locked room.

Police were then called and recovered severed limbs and heads from the property.

Dad Thomas Agyei had confronted Gyamfi, who played for several teams in the equivalent of the Premier League in Ghana, Africa, accusing him of luring his 13-year-old son, Louis Agyemang Junior, into his house from a local park.

Disappearance

Gyamfi told the dad that he had never seen his son and had nothing to do with the teen's disappearance.

But one of Louis's friends told Thomas Agyei that he had seen Gyamfi taking the lad into his house.

Mr Agyei and several locals barged into the ex-National Division star's home.

Initially, they didn't

find anything out of the ordinary until they came across a locked door which they told Gyamfi to open.

At first he refused, claiming he had lost the key, but the group led by the missing boy's father kicked down the door and found Louis's corpse on the floor with his head missing.

The police were called to the scene where they discovered that apart from the teen there were two other severed heads and countless human

body parts in the fridge. The identities of the other victims have not yet been made public.

Alexander Kwaku Obeng, the Director of Public Affairs for the Ghana Police Service, said: "The remains are being moved to the Ghana Police Service hospital morgue in Accra for forensic tests, to be done to support the investigation."

Support

Due to the shocking nature of scene, Mr Obeng added that psychiatric support has been made available to the families of the victims, members of the community and police officers involved in the case.

The investigation is ongoing and Gyamfi is currently being held.

Nude men hurt in stab horror

TWO naked men ended up suffering stab wounds in a bizarre chase down a busy street.

Several emergency callers reported seeing a naked man carrying scissors chase a bloody man, also naked, in Seattle, Washington State.

The bloody man dashed into a hospital emergency room, where he received treatment for multiple stab wounds, police said.

Officers found the other man a block away "bleeding profusely" from a severe stab wound to his neck.

Officers began first aid and an ambulance took him to the hospital.

The police statement did not say whether either man was arrested or charged.

It is unclear why they stabbed each other or why they were naked.

Burger fan took cow to McDonald's!

A WOMAN was stunned to see a COW in the back seat of a car at a McDonald's.

Jessica Nelson feasted her eyes on the bulging bovine in the drive-thru lane and instantly hit record on her space-age camera phone.

"I thought it was fake at first," Nelson said.

"Who puts a cow in a Buick? Then its whole head moved."

"I took the video of it because I was blown away there was a cow in the back of a Buick!"

The footage shows the grey Buick waiting to get to the drive-thru window when the curious cow is caught rearing its head out of the back seat.

"There's a whole ass cow in the back of that car!!!" Nelson, of Wisconsin, wrote on the post.

She said the cow's owners saw her video on social media and got in touch to explain they bought the cow, and two others also crammed into the back seat, at a nearby auction when they decided to grab a burger.

Dead body fell out of stolen mortuary van

A CORPSE fell out of a mortuary van after a man fleeing cops sped off in the stolen vehicle.

The cadaver, strapped to a gurney, went sailing out of the open back of the van and into a crematory car park in Conyers, Georgia, when suspect Kijon Griffin hit the gas.

Griffin, 23, who was wanted for multiple car break-ins, struck several vehicles in the death mobile as police gave chase down a motorway.

The chase ended when the van blew a tyre and Griffin took off on foot.

He ran into a wooded area and escaped police, including officers using dogs to track him.

"It's ridiculous that the dead can't even rest," Stan Henderson, who owns the van and Stan Henderson & Sons Mortuary, said.

ATTACK OF THE FLESH-EATING TORTOISES!

By ROY DURRIDGE
news@sundaysport.co.uk

A GIANT tortoise defied its historically plant-based diet and turned FLESH EATER when it was spotted snacking on a baby bird in what boffins have called a "horrific" moment.

Ecological researchers at the Cambridge University's Museum of Zoology caught the disturbing incident on video, shot on Frigate Island in the Indian Ocean.

Lead researcher Justin Gerlach, director of studies at Peterhouse College, said: "This is completely unexpected behaviour and has never been seen before in wild tortoises."

Disturbing

"The giant tortoise pursued the tern chick along a log, finally killing and eating it."

"It was a very slow encounter, with the tortoise moving at its normal, slow walking pace. The whole interaction took seven minutes and was quite horrifying."

Now boffins fear pet tortoises could be next to turn and begin to devour their human owners as they sleep!

Respected zoologist Professor Mike Turnbolt, of the University of West Lancashire, said: "This is disturbing, to say the least."

Horror as evil lettuce-eating beast devours baby bird

"Once these cumbersome creatures have a taste for flesh it might be impossible to persuade them to eat bits of lettuce or cucumber again."

"They might move slowly but they are pretty dogged creatures, and they have sharp beaks. They'll start with a finger and take it from there, is how I see this panning out."

Frigate Island conservation manager and study co-author Anna Zora said she was alerted to keep her camera's lens pointed at the tortoise when she "saw it moving in a strange way".

The slow-moving reptile was stalking its prey, a tern chick, she said, adding: "It's moving deliberately, it's not just wandering about."

Gerlach said: "It's looking at this tern, and it's walking at it, clearly intending to do something."

"That suggests to me that it's doing it with intent. It knows what it's doing, it's done this before. It looked experienced at hunting."

Son's porn stash costs couple £35k

A COUPLE will have to fork out £35,000 after they tossed their son's pornography collection in the trash.

But when his parents sent his belongings to his new home in Indiana, his X-rated possessions never arrived.

The treasured porn stash included films, magazines and sex toys.

DENTIST GAVE DRUGS IN EXCHANGE FOR SEX ACTS

A DIRTY dentist has been accused of distributing prescription drugs to women in exchange for sex.

Dr Barry Arnold, 70, who has an office in Valley Stream, Long Island, allegedly wrote illegal prescriptions for Oxycontin and Xanax to women struggling with drug addiction.

According to court documents, between October 2016 and August 2020, Dr Arnold allegedly

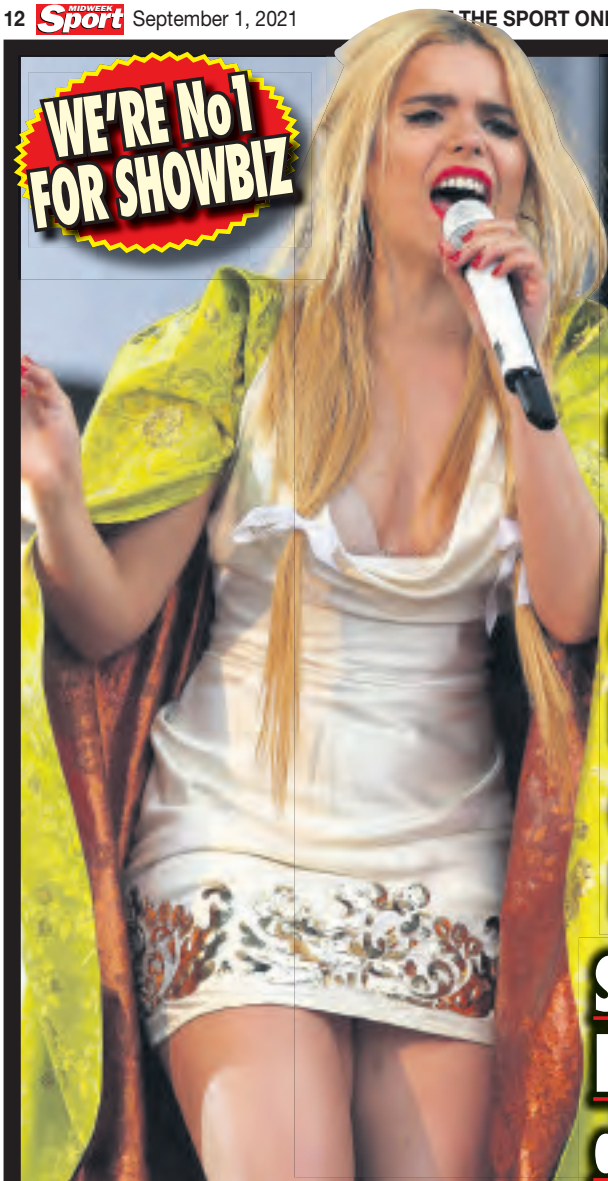

prescribed the drugs to six drug-addicted women in exchange for sex acts after business hours at his former dental office.

Court documents revealed Arnold also prescribed controlled substances in exchange for sex acts at his home.

Arnold (left) pleaded not guilty to the 24-count indictment when he appeared in court in New York.

PALOMA FAITH TEEN SPUNK SHOCKER!

By GRACE HOOPER news@sundaysport.co.uk

SEXY Paloma Faith got a call from her MUM after making comments about randy teen lads furiously masturbating and SPUNKING hot jets of semen over her pictures!

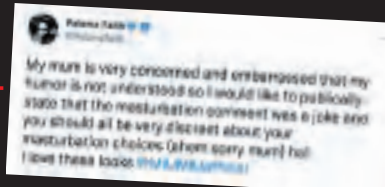

The *Only Love Can Hurt Like This* singer made the shocking remark in an interview with the ludicrous *Guardian* newspaper.

Paloma also mused on her wish to be a 'MILF' rather than a 'middle-aged mum'.

She told journalist Eva Wiseman: "All I really want right now is for teenage boys to masturbate over my image."

It was seemingly that line that caught her mum's attention, with Paloma taking to social media (below) to issue a hilarious disclaimer.

Singer rapped by her MUM after X-rated comment

'Creepy' Naked Attraction bus ad slammed

AN advertising campaign has been condemned as "creepy" for appearing to identify individual bus passengers as nudists.

The promotion for *Naked Attraction* on Channel 4 has arrows pointing to seats, indicating that the passenger "Loves Naked Attraction", "Hates Naked Attraction" or "Loves Being Naked".

Critics said female passengers would feel at increased risk of harassment.

Writer and stand-up comedian Tracy King, 45, saw the advert on a bus near her home in Woolwich, southeast London.

She tweeted: "What the hell is this creepy bus ad? You can't just label non-consenting passengers like that."

"Does Channel 4 not know how many sexual assaults take place on buses?"

"Passengers shouldn't have to navigate, 'Am I the butt of a joke on my way to work today'."

Other social media users said the ad was appearing in Leeds, Birmingham, Newcastle, Sheffield, Manchester, Liverpool, Aberdeen, Glasgow and Edinburgh.

The man behind the first genocide

WIPED OUT:
Perhaps
1.6million
Armenians
died on the
orders of
Talat Pasha

THERE is no question that the Holocaust was the worst event of the 20th Century.

But not many people today know that it was actually the second, and it happened less than 50 years after the first.

That's mainly because Turkey's leaders refuse to accept that their recent political ancestors committed genocide, too. In the hallowed halls of Turkish government, even the word "genocide" is still disputed.

What isn't disputed is that the tomb that Talat Pasha lies beneath is under a grey stone arch on the Hill of Eternal Liberty, opposite the Florence Nightingale Hospital in Istanbul.

Nowhere is it indicated that his date of death, March 15, 1921, was decided by an Armenian assassin and the bullet he fired at him in Berlin.

Nor is there the slightest clue that the body of the Ottoman interior minister was transported back to Istanbul from Germany on a steam train decorated with swastikas in 1943, courtesy of Adolf Hitler.

And nor does it even hint that the tomb contains the remains of the man who, in the eyes of those Armenians who survived his 1915 genocide, was Turkey's very own Führer...

HITLER had hoped his gesture of returning Talat Pasha's remains might persuade neutral Turkey to join his side in the Second World War.

But the Turks, having lost their Ottoman empire by backing Germany in the First World War, were not so stupid as to make a second fatal alliance with Berlin.

By **KOURTNEY KENNEDY**
news@sundaysport.co.uk

There is however footage from 1943 in which Turkish troops can be seen taking Talat Pasha, a founding member of the Young Turks' Committee of Union and Progress, to his final grave on a gun carriage.

He had been shot dead by an assassin decades earlier, aged just 46.

In the film, a tall German

military attaché walks in the front row of the mourners, with stupidly wide lapels on his Nazi dress uniform, his peaked hat decorated with an eagle and swastika.

Most of those responsible for the last century's first holocaust were murdered in Europe or Asia by a group of vengeful Armenians in what they called Operation Nemesis, because the Jews of Europe were not the only ones to hunt their persecutors down after the genocide of their people.

Yet in May 2015, a crowd of thousands, up to 60 per cent of them non-Armenian Turkish, stood to attention in honour of the Armenian dead of 1915 in one of Istanbul's oldest streets.

One local resident, Nigaghos Tavibian, spoke to the crowd in English.

Forbidden

She said: "This is where it started.

"This is where Talat gave his fateful orders and this is the country where remembering was forbidden for 70 years.

"Modern Turkey should have been built on the culture of all its peoples.

"We look forward to a day when the people of this country will say: '1915. Not in Our Name'."

Yet even as late as 2015, the Turkish press were normally used to adopting the same language as CNN and

the BBC that the planned extermination of the Armenians was "hotly disputed" by Turkey.

But this time they printed the fearful word "genocide" more often than they did in the usual gutless references to the "events" and "incidents" of 1915.

Those "events" and "incidents" were carried out at the behest of one Mehmet Talat, who was born on August 20, 1874, in Edirne, Bulgaria, then part of the Ottoman Empire.

He became a clerk at the city's Postal Administration and he also taught Turkish at a Jewish school, where he learned French from the daughter of the school's principal.

He was arrested in 1895 on the grounds of "activities against the regime" and was sent to prison for two years.

In 1906, Mehmet Talat and his friends founded the Ottoman Liberty Association, which would later merge with the Committee of Union and Progress.

In 1908, he went to Istanbul where he opened a branch of the CUP, and after the Constitution was set he became a Member of the Parliament and soon appointed as the First Deputy Chairman of the Parliament.

Mehmet Talat played an important role in the

THE WORLD'S DEADLIEST DICTATORS

dethronement of Sultan Abdülhamit and in July 1919, he became the Minister of Interior in the cabinet formed by Hüseyin Hilmi Pasha.

Role

Together with Enver Pasha (Minister of War) and Cemal Pasha (Minister of Navy), Talat Pasha was now a part of the "Triumvirate" ruling the country, and he played an important role in

Turkey's entry to the emerging world war.

In his capacity as the Minister of Interior, Talat Pasha, as he was now known, had the responsibility for moving Armenians from the war zones in the eastern part of the country to Iraq and Syria.

Horribly large numbers of Armenians perished during this forced emigration.

Turkey claims it was

"only" 500,000 people. The Armenians say it was nearer to 1.6 million.

Contact

After Said Halim Pasha's resignation, Talat Pasha became the new Grand Vizier, the equivalent to prime minister, on February 4, 1917.

The CUP held its last congress on November

1, 1918, and later that night, Talat Pasha, together with other CUP leaders, left Turkey on board of a German submarine.

He went to Berlin, but he did not lose contact with Enver Pasha and Cemal Pasha.

The strategy in his mind was to proceed in three wings, with himself in Berlin, Enver

Pasha in Moscow and the Caucasus, and Cemal Pasha in Turkey. Meanwhile, he was tried in absentia by a military tribunal in Istanbul and sentenced to death.

Gunman

But his justice was dealt by a different hand.

On March 15, 1921, he was assassinated by an Armenian gunman by the name of Soghomon Tehlirian in front of his plush apartment in Charlottenburg, Berlin.

He was shot in the

head from behind and died instantly.

The assassin, who didn't even try to get away, was caught by a passer-by.

He told police that the body of his hated victim had crashed to the ground like a fallen tree.

Tehlirian, who was tried for manslaughter, claimed he murdered Talat Pasha for revenge, because his family was killed during the Armenian deportations in Turkey. He was part of Operation Nemesis.

The German court did not even bother to hear

the Turkish witnesses and Tehlirian was acquitted after a cursory two-day trial.

For the next 40 years, until his death in San Francisco in 1960, Tehlirian was accorded the status of "Armenian National Hero".

Hateful

Talat Pasha was first buried in Berlin.

But on February 25, 1943, his remains were taken to Turkey to be reburied in Istanbul.

And all thanks, of course, to the hateful Herr Hitler himself.

POLICE DIG UP SERIAL KILLERS' VICTIMS

DNA bid to ID remains

THE remains of people killed decades ago by two serial killers have been exhumed by cops with the hope of identifying them through updated DNA technology.

Advances over the years have improved the ability to identify human remains, including those previously determined to be unsuitable for DNA analysis.

The unidentified human remains are associated with the Charles Ng and Leonard Lake serial killings, which occurred in Wilseyville and in other places in California in 1984 and 1985.

Lake killed himself while in custody 1985.

Ng was convicted in 1999 of 11 murders of women, men, an infant and a young boy. The men also tortured and raped the women before killing them.

Ng, now 60, was sentenced to death and remains in San Quentin Prison.

In a 1999 jailhouse interview following his conviction, Ng insisted Lake killed all the victims. Even though he'd helped Lake burgle the apartment of three of his victims and torture two females, Ng said he didn't know about the murders until he helped Lake bury the bodies of two of them.

Incriminating evidence at their trial included a video of Lake and Ng taunting two female captives and threatening to kill them if they didn't become sex slaves.

At the conclusion of

Ng's trial, the remains of up to 25 unidentified victims were placed into a crypt in a cemetery in San Andreas.

Now, a spokesman for the police said: "We are going to test every fragment we have. It will take many months."

At the same time, cops are also attempting to locate families of missing persons who may have been victims of the pair.

At the conclusion of the analysis, remains will be returned to loved ones, or reinterred.

#HOT'N'HO

HOTTIE Holly Gibbons says the best way to indulge in kinky ANAL SEX is to take things nice and slow and build up with lots of foreplay.

The Brighton-born babe says regular sex is the perfect start and the ideal build-up to saucy bum fun.

Holly, who boasts a 32E pair of norks, said: "It's best to start off having vaginal sex first.

"I like reverse cowgirl because it totally works by hitting the right spot to help me climax.

"I think it's really good for blokes, too – mainly because it's a bit like doggy for them, but they can lie down.

"It's lazy man's sex and they get a delightful view of their girl's bottom, too.

"Foreplay is so important – kissing and stroking my breasts and also rubbing my clit.

"Then I like the man to tell me what he's going to do next – starting with putting a finger in my bum, and then another.

"The most important thing is to start slowly and slide it in a little at a time.

"The trick is just to take everything very, very slowly with anal sex."

WHAT'S ANNOYING HIM THIS WEEK?

IT'S OFFICIAL...

The lunatics have really taken over the asylum

PRANCING PRICKS: Extinction Rebellion doing their 'thing' in London

IT'S now official.

The lunatics really HAVE taken over the asylum.

The nutters being Extinction Rebellion, that ragtag bunch of wet-handshake privileged f**kwhits that people like you and me are all struggling to define without furiously swearing.

How do we describe this lot? They need a whole new lexicon of c**tishness that even I, a devotee of the campaign to bring the magnificently rude word c**t into the mainstream, am struggling to keep up with.

I say they've taken over, but it was more like "happily taking the keys from the departing tenant", what we used to call the Metropolitan Police.

A former police force which is now a police farce.

Led by a person-perhaps-born-with-womb/them/their/rainbow/kneel/skateboard/oops-up-side-ya-head/ah-shuduppa-ya-face called Dick.

Seriously. Met boss Cressida Dick talks the talk about being a copper, but the walking the walk bit? Not so much.

Last week, and this week coming, those twats from Extinction Rebellion – XR to its graffiti mates – tried to bring London to a standstill again.

They sat there in their pink Doctor Martens and tiger-painted faces, concreting themselves beneath trucks or getting their tits out.

What used to be called Scotland Yard's finest looked on and shrugged as these trustafarians, no doubt spurred on by the knowledge that daddy will never see them homeless, did their thing.

Their "thing" being interpretive dance, which involved strutting around making clicking noises and pretending

to be birds, or gazelles, or watermelons, or who-knows-f**king-what.

I'm only amazed that Channel 4 didn't get a mentally disturbed dating show out of it.

Or maybe they have. It'd be the opposite of have-a-wank telly.

Flop Shop, maybe.

But I watched this shite on the TV news, because TV news is now so desperate to fill its 24-hour schedules it will pretty much broadcast anything.

Especially if it's anything remotely left-wing, like most of its university-indocrinated c**twit employees.

And especially if it's anything to do with what they think the kids are down with. Like changing your sex without having to tell your mum at aged five, or voting at 16, or liking Nicola Sturgeon.

And then – BOOM – a bit of real, actual, genuine news came in.

Murdered

Families who have relied on Western allies for safety for 20 years suddenly fleeing for their lives.

And then being blown to pieces by suicide car c**ts outside Kabul airport.

Murdered by the dreadfully dressed strain of Captain Caveman, aka ISIS-on-Steroids-And-Ammo-Left-Behind-By-Sleepy-US-President-Joe-Biden.

And I wondered how XR's gazelle dance would go down on the streets of Kabul these days.

Or in Deera Square in Riyadh, Saudi Arabia, aka Chop Chop Square, where people get their hands/heads sliced off for nicking the occasional watermelon that XR love so much?

These prancing prickles are stark, staring mad.

And it's about time the rest of us started reminding them.

YouTube star sparks spike in Tourette's

YOUTUBE star Jan Zimmerman is linked to rise in Tourette symptoms among fans, as they have started mimicking his tics and outbursts, according to a new study.

The German social media star (above), 22, who hosts a YouTube channel that translates as Thunderstorm in the Brain, posts funny videos about his condition to his 2.2 million subscribers.

Doctors at Hanover Medical School were initially confused by the growing number of young people reporting symptoms associated with Tourette's.

But they soon realised patients were watching Zimmerman's videos and copying his physical tics.

They were also shouting some of his Tourette-driven exclamations, including "bomb", "you are ugly" and "flying sharks".

The Hanover team claimed the spread of symptoms among the YouTuber's followers was the first identified case of a "mass social media-induced illness" and warned of more to come.

'Faulty' Tesla on autopilot rams cop car

A TESLA vehicle operating on autopilot slammed into a cop car, just days after CEO Elon Musk admitted faults with experimental self-driving software.

The crash happened in Orlando, Florida, after the cop had activated his vehicle's emergency lights on the way to help a disabled vehicle.

The Tesla hit a cruiser on its left side and then collided with the disabled vehicle.

The 27-year-old Tesla "driver" and disabled vehicle driver suffered minor injuries. The cop was unhurt.

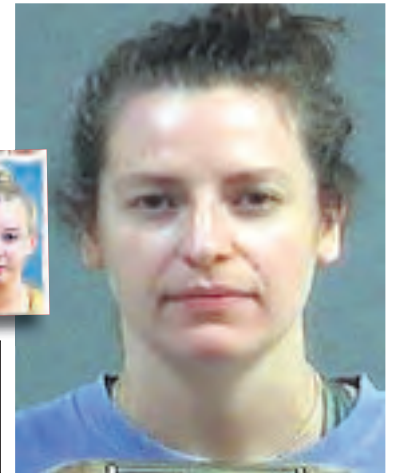

The US National Highway Traffic Safety Administration earlier this month announced a formal investigation into Tesla's autopilot system after a series of crashes with parked emergency vehicles.

Parents' fury as second sports Miss nicked for teen sex

ARE **ALL** OUR COACHES PREDATORY LESBIANS?

YOU DIRTY DROOKER: Teacher (right) was at same scandal school

FURIOUS parents have accused a Christian school of serving up their daughters "like some sort of buffet for predatory lesbians".

The accusations come after a second sports Miss was nicked for fingering and licking out a teenage girl.

Tara Drooker, 30, a former teacher at Richmond Christian School in Virginia, was arrested and charged with four counts of taking indecent liberties with a child.

Police say Drooker, of North Chesterfield, Virginia, had engaged in an inappropriate relationship with a juvenile female student beginning in 2017 and continuing over "a period of years."

Violated

Drooker is currently being held without bond at the Chesterfield County Jail.

Last week, *Midweek Sport* reported the arrest at the same school of volleyball coach Elisabeth Bredemeier for allegedly sexually assaulting a 17-year-old female student.

Bredemeier, 21, of Powhatan, Virginia, is charged with taking indecent liberties with a child and contributing to the delinquency of a minor.

Now parents are wondering what the hell is going on at the school.

One dad, who asked not to be

named, said: "I sent my daughter to Richmond Christian to receive a decent, godly education, not to have her legs parted and orally violated by slaving predatory lesbians."

"It seems that the girls are being treated as some sort of sexual buffet by the sports coaches there."

"Are any of the coaches at Richmond NOT predatory lesbians?"

The scandal hasn't ended there. Police also arrested two of the school's administrators for failing to adhere to mandatory reporting requirements.

As part of the investigation, police spoke with Head of School Clifton Williams and business manager Derek Zbyszinski and determined that both had failed to notify authorities.

Williams, 66, and Zbyszinski, 46, were arrested and charged with failing to report suspected abuse and neglect of a child.

THE WORLD FAMOUS AGONY Page

I've been banging my boss for the last few months. I'm 23 and she's 45, blonde, with a decent body and a big pair of tits.

I first knobbed her when we were away at a conference. She knocked at my hotel room door wearing stockings and sussies.

It wasn't long before I was spunking down her gob. I then licked out her bald fanny before boning her.

She took my rock-hard eight-incher to the back of her throat and gave me an expert blowjob until I shot my load.

She's filthy in bed and loves to be tied up, spanked and f**ked.

The problem is that she now wants a threesome with another lad in the office. He's OK, but he swings both ways and she wants to watch him f**king me!

If I agree she said I will get the promotion I've been after for ages. If not, she'll sack me.

What should I do?

EN, Essex

I'm a 19-year-old student and I've been working part-time at a service station, where I copped off with a lovely bubbly blonde. We've done all sorts - shagging down the park and while watching porn films together.

We had a party when she moved in to a new flat and her mum came around. She's a dirty tart and proved it by being all over the lads. She went out back with some of them and they told me she'd given them each a nosh.

We'd all had a lot to drink and my girl slipped off to bed, leaving her mum fondling the cock of a pal.

She winked at me and pulled up her top so I could get a grip of her milkers. I started sucking on her tits and she yanked down my pants and gave me a blowie while my pal rode her hard and fast from behind.

Her daughter doesn't know what happened that night, but I'm now a bit scared she'll find out. What should I do?

TF, Newcastle

Son's pal filled me up

Dear Ashleigh,

I'M a 40-year-old highly-sexed married woman and until recently I had been faithful in 19 years of marriage.

It was my son's 18th birthday and we had a small bash at home for the family, his girlfriend and his 19-year-old pal.

At the end of the night my hubby, who wasn't drinking, took my parents and my son's girlfriend home, and my son went with them.

This left me with my son's dishy mate who was tired and a bit bladdered.

So I put him to bed and undressed him, gazing in awe at his big cock.

Then his hand ran up my leg to the top of my stockings and I relaxed as his fingers found their way inside my thong and into my pussy.

I couldn't resist his knob and sucked him off. He then put me in the doggy position and filled every inch of me.

CRUSH YOUR C**K!

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Garden plants and pretty blonde got a good hosing!

Dear Ashleigh

I WAS spraying my back garden plants with my hosepipe when the woman next door came up for a chat over the hedge.

She's a decent-looking blonde and in great shape for her age – in the mid-forties – with a lovely pair of boobs.

The sun was shining straight through her skirt and I could see she didn't have any knickers on.

I started to get hard and by accident let go of the hosepipe which drenched her.

Her clothes clung to her and I could see her big nipples pushing through her top and neatly-trimmed bush through her sopping skirt.

By then there was no hiding my raging hard-on and she asked if I'd like to spray her with anything else, the saucy old mare!

In my haste to get my hands on her, I trampled my best plants – but that's another story.

Before I knew it she'd got her mouth round my bellend and was licking it with her tongue.

I was gripping at her boobs and arse with my hungry hands and slowly worked my fingers into her dripping pussy.

She then took her mouth off my cock, lay back on the grass and

invited me to slip my swollen cock in her – right up to the back axle.

So I was soon pounding away like a runaway train, and she was chuffing away, having orgasm after orgasm by this time.

I finally pulled out and let off the lot – all over her face.

The trouble was that I'd forgotten to turn off the hosepipe and somehow it had angled itself to spray into her back door and flooded the bloody kitchen.

Now she won't talk to me.

What shall I do?

PN, Lanes

Ashleigh says...

KEEP your hosepipe in your own garden.

Dear Ashleigh,

LAST week a car crashed into mine on a quiet country lane, and the woman in the other vehicle was a real stunna.

As we waited for help, she suggested a quick shag to pass the time.

As I was about to come she made me admit the accident was my fault – and now she's landed me with the bill.

Is this right?

PG, Kent

Teacher's red-hot lessons in lovin'

Dear Ashleigh,

I'm an 18-year-old student and I think I've fallen in love with my teacher.

She's 32 with a great figure and a great personality. I had a problem with a project recently and asked for her help. She soon sorted it out.

Then she asked me if I fancied going for a drink and I happily agreed.

In a quiet country pub, she told me she had a holiday home in Devon and asked if I fancied going for the weekend.

I was delighted but surprised because I knew she was married.

But she told me that her husband worked abroad a lot and was in Germany – so I agreed.

Within minutes of arriving at the cottage, we were stark-naked on a huge double bed.

I started by taking little nibbles of her pussy lips before plunging my tongue into her love-hole.

Then we moved into the 69 position and she took my cock in her mouth and sucked me off.

After a while she stopped and parted her thighs so that I could ease my rock-hard cock into her.

And what a fantastic f*ck she was. We must have shagged a dozen times over the weekend.

But when I got back to college and told a pal, he revealed that he'd been to the holiday cottage too.

I feel as if I've been used. Now she's asked me to go on another dirty weekend. Should I go?

JD, Suffolk

Ashleigh says...

WHY not? Everyone wants to pet the teacher. Just don't get caught!

Dear Ashleigh,

I'M 19 and have always been quite fascinated by much older women.

A few weeks ago I was in my local having a few jars when I noticed an attractive brunette alone at the bar.

I offered her a drink and we chatted for a while before ending up at her place for a few more drinks.

She told me she was a divorcee of 46, but she didn't look it.

This MILF had massive 34EE tits, which I simply couldn't wait to get my gob round.

She got out my raging hard shaft and began sucking until I blew my load in her face.

Then she grabbed my hand and led me to the bedroom.

The cougar threw me on the bed and stood over me, frigging her wet pussy.

Then she jumped on top of me and went for gold as she rode my rod.

She came a staggering four times – in 20 minutes.

And she brought me hard again in no time with a sloppy old tit-wank and some expert oral – and then demanded it from me doggy style.

My older lover has offered me money to do her regularly.

Should I go for it?

'I'm gagging for some hardcore orgy action with multiple cocks'

I GET extremely turned on by the idea of an orgy... it's definitely on the bucket list!

I've already had a few threesomes which were really hot and I'd love to have a few more bodies in the mix!

In my fantasy I'm the centre of attention. I'm lying on a big velvet bed at a sex party and a crowd gathers around me.

I strip naked and loads and loads of hands start caressing me. There are

guys and girls, all lusting after me.

I'm soon gagging for some hardcore action and I'm being fingered and licked all over.

I've got multiple cocks coming at me... and I suck them all.

I lose count of how many have sex with me!

And there's so many gorgeous women with big boobs almost fighting to go down on me.

I'm bisexual and this really would be the best of both worlds for me.

I need to make this happen!

GLAMOUR girl Marie Lambo admits she loves posing TOPLESS.

But she much prefers kinkier photo shoots.

Marie, from Prague, Czech Republic, said she gets a buzz from stripping naked for the camera.

And if she's feeling really horny, she said the lucky photographer might catch a glimpse of some of the 32DD babe's 'extras'.

She said: "I like to be as

naked as possible as often as possible.

"I get booked for a topless shoot, but I want to pull down my panties and put my fingers in my pussy.

"Sorry, but that's just the way I am.

"Getting naked makes me so horny. On the bus on the way home, there is always a huge wet patch in my little panties!

"You will not believe how hot I get during sexy photo shoots!"

SHOW ME THE HONEY!

WELCOME to the interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

DANNI HARWOOD

TRUCKER Nick Pope requested an express delivery of Welsh beauty Danni Harwood.

Nick, 38, from Birmingham, says he has lonely nights on the road are eased by pics of the Neath babe.

Danni's 32F norks cover Nick's truck cab and he wanted another for his collection. He said: "I travel every week, so having Danni's pictures to keep me company is a lifesaver."

"She's got it all – cracking figure, gorgeous eyes and pouting lips. I reckon she'd be a right one in bed too!"

ADRIANA

POSTIE Aaron Price has recently split from his girlfriend – but glamour girl Adriana is satisfying his needs now.

And Aaron, 32, from Carlisle, says it's like nothing's changed because the Prague-born model is a dead-ringer for his former flame.

He said: "She looks just like my ex – slim and blonde with lovely big, pink nipples on her 30C rack."

"I've got tons of pictures of Adriana, she's even the screen saver on my laptop. There's just something about her that drives me crazy."

JAYMIE FEATHER

FACTORY foreman Ray Bailey emailed us desperate to see his favourite model Jaymie Feather topless.

Ray, 62, from Sheffield, says he fancies the pants off the Bradford stunna.

Jaymie boasts a 30D handful and Ray said he can't help but ogle them, adding: "Back when I was working, me and the lads would pass photos round the factory floor."

"I remember the first day I clapped eyes on her. I was stiffer than the old, creaky machinery in desperate need of a good oiling!"

FOX

WELL, she never looks like this on *Silent Witness*...

No, folks. You're thinking about EMILIA Fox.

This is her very near-namesake AMELIA.

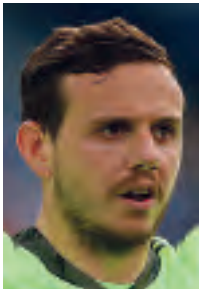

And while posh actress Emilia is no slouch when it comes to getting her pert boobs out, Amelia shows off considerably more on raunchy Babestation.

Randy

The Brighton babe said: "I love showing off and love performing."

"And yes, let's be honest, I love being naked and playing with myself, knowing it's making guys out there randy."

Amelia, who has 32C boobs added: "And it's a great way to show off my tattoos, which I'm really proud of."

GETTING A GAME: Ward

Dragons warming up frozen out Ward

WALES

BENCHED Danny Ward has what it takes to be one of the world's best goalies.

That's the view of Wales keeper coach Tony Roberts who is frustrated that the Dragons' No1 is only No2 at his club.

He understands why Ward warms the bench at Leicester because top-class Kasper Schmeichel is ahead of him.

It was the same at Liverpool which is why the Wales gloveman moved to the King Power Stadium in the first place.

Ward played well at the Euros earlier this summer but is back on the sidelines now the Premier League has kicked off.

And Roberts admits that's not an ideal situation for the national team.

He even joked about a chat he had with the Leicester boss.

Roberts said: "I spoke to Brendan Rodgers and said to him 'any danger of getting Danny a game?'"

Injured

"That's just being selfish. Wardy is competing with one of the best goalkeepers in Europe in Schmeichel.

"He has been so consistent. He never gets injured, he plays every week and plays really well.

"Brendan Rodgers has got to be the happiest manager in the league looking at his goalkeepers because he has got two, in my view, world-class goalkeepers."

Ward has played just 14 times for the Foxes in three years.

Roberts added: "Wardy has the potential to be a top, top keeper but he needs to play week in, week out.

"Unfortunately at the moment he is not in that position.

"You can see how good a goalkeeper he is. Leicester have got no worries. If something happened to Schmeichel, they have got a complete goalkeeper ready to go."

But that means Wales are taking a chance on Ward's sharpness against Finland, Belarus and Estonia this week.

IT'S THE OPENING INTERNATIONAL

SOUTHGATE: TIME TO WIN IN QATAR

GARETH Southgate reckons England have made giant strides in making the last three semi-finals.

The Three Lions made the final of the Euros on the back of last-four performances in the World Cup and Nations League.

England head into three quick World Cup qualifiers against Hungary, the mighty Andorra and Poland.

That trio of games may go a long way to securing a place in the Qatar finals next year.

Southgate has faith in his squad to get the job done.

He said: "We've been involved in three competitions in the last four years where we have been in the semi-final of each.

"No other country has been in the semi-final of two of those, so that gives you an indication of how com-

petitive international football is and how many good teams there are, especially in Europe.

"It is a very strong continent in terms of the quality of teams and the quality of opponents.

"But it also shows the consistency of our players, the core of whom have been in all three of those tournaments, although we have obviously had a lot of young ones who have come in, and they have shown a lot of consistency."

Southgate believes getting to the final of the Euros has pushed his team to the next level.

After going so close, it's time to end that trophyless run that dates back to 1966.

The England boss added: "We've always wanted to be knocking on the door of the latter stages of competi-

tions because eventually you end up learning how to win semi-finals and how to win finals.

"That is normally the process when you look at a lot of our successful club teams that they have had to go through. That is the way we view it."

Southgate points to the relative youth of his squad as another major positive.

Closer

He added: "We know we were the youngest team in the last 16 and we were the least experienced in terms of international caps, so there's no doubt that individually these players are going to improve and continue to improve and that has to be our aim as well as a team.

"We've learned a huge amount from the wins we've had and from the disappointment from the World Cup semi-final and the final this time. But we're obviously a lot closer

than we have been for a long, long period of time."

England head into the next round of qualifiers top of the group and with one foot already in the Qatar finals.

But Southgate isn't counting his chickens and knows it will be tough against Hungary and the Poles. He seems confident enough of toppling Andorra at Wembley!

He said: "We have two critical away games in particular, with the trips to Budapest and to Warsaw, and we have a lot of work to do."

"Everyone is talking about us winning a World Cup but we have to qualify first. Those two games, against good teams and in packed stadiums, are going to be difficult for us."

"We know that Hungary's performances for a few years now have been very good and very positive, even going back to the previous Eu-

BREAK OF THE NEW SEASON!

STAR LION: Southgate is hoping for more from the likes of Jack Grealish

ropean Championships when they played so well in France.

"We know they were in the most difficult group in this European Championships and they had excellent results really.

"Even in the game with Portugal they lost, it was 0-0 until 84 minutes so we're expecting a very difficult game and we know we need to be at our best possible level to go and win.

Complicated

"It's a really important match in terms of qualifying for Qatar and our own level is difficult to predict because all of our players only had a short break and are just back with their clubs.

"Everybody is in a different place so September is always complicated in that way but we will prepare in the best way we can and we know what a difficult game we face." Some

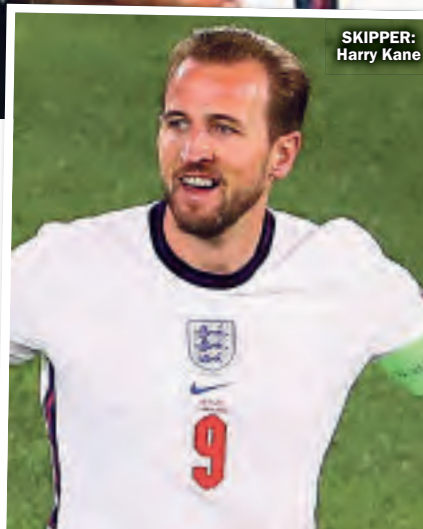

pundits think Qatar will be another good chance for England to win the World Cup with his team just about peaking.

There's also the lack of a real standout international side and nobody will be at "home" given the finals are being held outside South America and Europe.

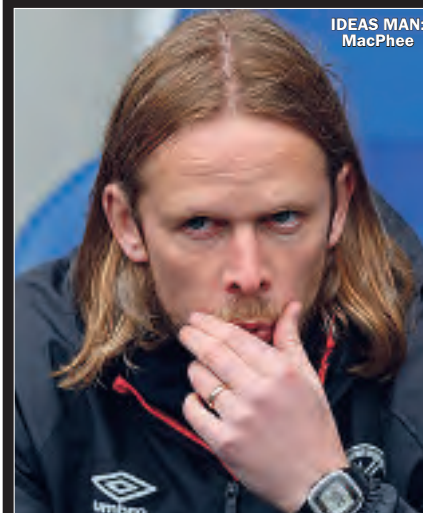

Southgate is trying to keep a lid on those expectations.

He said: "We've always had squads of players who have had opportunities to win things and squads with far more experience in terms of European club titles than this team has got — we have some European winners, which is fantastic.

"We were nine games unbeaten in the summer in normal time and extra-time and we were behind for nine minutes in the whole tournament so I don't have any less faith in the group of players than at any time during the summer."

SKIPPER: Harry Kane

IDEAS MAN: MacPhee

MacPhee glee for Scotland boss Clarke

SCOTLAND

STEVE Clarke believes Austin MacPhee can take his squad to the next level.

The former Hearts gaffer has left the Northern Ireland set-up to join the Tartan Army's coaching staff.

He has arrived in time for the crucial World Cup qualifiers against Denmark, Moldova and Austria this week.

The 41-year-old is combining the role with being set-piece coach at Premier League side Aston Villa so expect some new routines from Scotland in coming games.

Clarke is happy to have a new voice on his backroom staff.

The Scotland boss said: "He is different, he is a good character.

"I have known him since I came up to Scotland, when he was a club manager I always bumped into him.

No1: Craig Gordon

Analytical

"I have spent a little bit of time with him, we have spoken to each other a few times over the years.

"He is different to me. He is more data based, he is more analytical.

"At clubs he mixed the analytical side of it with coaching.

"He must have looked at it and decided to specialise a bit with set plays which is how he ended up with the Brentford, Midtjylland connection and did well there."

Clarke believes there is plenty in having a specialist to look at set

plays. With many national games so tight, nicking a goal from a well worked corner or crafty free kick can make all the difference.

He added: "Stats wise, I do like to mix things up. I think it is an area where of you want to improve two or three points in your group section, set plays can do it.

"Then maybe those two or three points we improve take us from third place to second place or from second place to first place.

"So it is something I want to try and now I have got the opportunity to do it."

Meanwhile, Clarke has confirmed that Craig Gordon will be his No1 for this month's three qualifiers.

David Marshall is out of favour at Derby while Jon McLaughlin is not available.

Clarke said: "Craig just wanted to play and felt that leaving Celtic was the best way.

"Craig has always known what I think of him as a goalkeeper."

Bamford: I'll repay Southgate's faith

PATRICK Bamford says he's determined to make the most of his England chance.

The Leeds United striker has put the heartache of missing the Euro finals firmly behind him.

He's just won his first call-up to the Three Lions' squad for the games against Andorra, Hungary and

By JOHN ANTHONY

Poland. It's a reward for a couple of strong seasons for the 27-year-old.

Bamford said: "To be honest, I'm over the moon. "I was just saying to my family, it's the first international since maybe December last year where I've not got my hopes up, and thought 'maybe it'll

happen, but maybe it won't'.

"I totally forgot about it and the morning of the call up I was kind of surprised but delighted."

Southgate faced the real prospect of Bamford tying his colours to Ireland if he wasn't called up.

He's eligible to represent the Republic and played for them at under-18 level. But

the England boss insists that wasn't on his mind when selecting his latest squad.

Southgate said: "Patrick's progress with Leeds has been excellent."

"This is a good chance for him to come back in."

"We know him for the under-21s and a fabulous moment for him and his family."
